Visiting *Information*

Arriving:

- Coaches and minibuses should drop off at the sports hall car park. Coaches will then need to leave the site and park at Barton Road lay-by and then the opposition staff can phone them when they are ready to be collected. Spectators can park here or at Latham road sports pitches, but spaces can be limited so we encourage cycling or walking if possible.
- Visiting teams will be met by a Leys Sport staff member at the car park who will walk you to your fixture location via changing rooms and toilets (Note: we do not have changing facilities at Latham road sports pitches)

First aid:

- We have pitch side first aiders for rugby, hockey, netball and football matches. If an injury occurs during a fixture, they will be on hand to help.

Match teas:

- Pupils will receive hot match teas after fixtures (in the Michaelmas and Lent terms) in the main dining room (unless packed teas are requested). In the summer term cold teas are provided in the Sports Pavilion. Vegan/ vegetarian options are available.
- Refreshments for spectators will be in the Sports Pavilion during fixtures. A coffee truck is normally based at Latham road sports pitches on Saturday's and sells hot drinks and cakes.
