

THE **Leys**
CAMBRIDGE

A photograph of three students in school uniforms walking outdoors. On the left is a boy with curly brown hair, wearing a dark blue blazer, white shirt, and blue patterned tie. In the center is a girl with long blonde hair, wearing a dark blue blazer, white shirt, and a green and red plaid skirt. On the right is a boy with dark hair, wearing a dark blue blazer, white shirt, and blue tie. They are all smiling and looking at each other. The girl is holding several books and folders. The background is a blurred green field.

HEAD OF MATHS

candidate information

Head of Maths

fixed term contract

Starting January 2025

We are seeking a capable and dynamic Head of Mathematics who will inspire our pupils in the classroom, support and motivate colleagues in the department and contribute to the pastoral and wider curriculum life of our day and boarding school provision. It is expected that the appointee will be an engaging teacher with a proven track record of establishing high expectations and obtaining excellent outcomes for pupils across KS3 to KS5. This post would suit an experienced Head of Department seeking a change in scenery, or an ambitious teacher who would like to gain experience of middle leadership through leading a supportive and experienced department.

The Leys is an inclusive and inspiring co-educational boarding and day school offering an incredible learning environment and pupil experience in Cambridge. Putting pupils at the heart of everything we do, our shared values create a strong, caring, and cohesive community. The successful candidate will be joining a dedicated, successful, and welcoming team of teaching and business professionals, committed to working together to combine their skills, experience, and insights to deliver an excellent education to our pupils. Successful applicants will have an understanding of the commitment required in a boarding school.

The Leys is an extremely rewarding place to work. We hope you will take the time to look at our website to find out more about us.

Welcome to *The Leys*

Life at The Leys

The Leys is a co-educational boarding and day school for pupils aged between 11 and 18. Set in the heart of the beautiful and stimulating city of Cambridge, one of the world's leading cultural and academic centres, The Leys' unique location allows pupils unrivalled access to the vast array of cultural and educational opportunities that Cambridge has to offer.

Established in 1875, The Leys values its history, yet it blends traditional values – courtesy, tolerance, respect, decency – with a forward and outward-looking approach to education. Dedicated staff and superb facilities combine powerfully to prepare young people for the challenges which lie ahead at university and beyond.

The Leys is a close-knit, engaged, friendly community of around 550 pupils in which pastoral care is seen as the top priority. Academic value-added is impressive and the breadth of the wider curriculum is renowned. The School caters for Boarding, Home Boarding and Day pupils but, with 70% of pupils accommodated in boarding houses, boarding is absolutely central to the ethos of the School and all pupils benefit from the vibrancy and structure which this provides.

Purpose

The Purpose of The Leys is to play our part in changing the world for the better.

We do this by making a positive difference to the lives, values and prospects of Leysians, by being professional, caring and rewarding in developing and managing our staff, by being a responsive and trusted partner to our parents, and by making a beneficial and sustainable contribution to the wider community

By foundation and structure, The Leys is a boarding community. We also place great value on being a “big, small school” embedded in the heart of Cambridge, and on giving Leysians a rich and rewarding academic and wider school experience – one they find valuable both intrinsically and in preparing for their futures. We seek, in the spirit of our Methodist founders and our Christian values, to send Leysians out into the world ready – academically, culturally, morally, physically, spiritually and socially – to live fulfilling lives which will make a positive contribution to society.

In order to achieve our Purpose, we aim to deliver an education which is built on three foundation stones: pastoral, academic and wider curricular. Whilst interconnected, ‘pastoral’ is accepted as pre-eminent, because pupils who feel supported and confident are able to flourish in all areas of the life of the school. Our teaching staff body all contribute to all three pillars of Leys School life, thus we all work together to ensure our pupils develop into happy, confident and well-rounded individuals ready to leave school and find their place in the world.

Pastoral Care

Pastoral Care is at the heart of what we do. We know that wellbeing is crucial to success in wider school life, and we all work together as a community to ensure that each pupil flourishes in school, feeling nurtured, supported and happy. Our House structure is central to this: all pupils are a member of a House throughout their time in school. Year 7 and 8 pupils are members of our junior house, Moulton, and then pupils in Year 9 and above join one of the eight boarding or three day houses. The vertical arrangement in the senior houses creates opportunity for pupils to support each other, and the houses are staffed with a Housemaster or Housemistress (HSM), an Assistant HSM, a Matron and a team of teaching staff. Pupils also have a tutor, who supports them with their wellbeing, academic progress and wider curricular involvement as they progress through the school. All staff are expected to contribute to our pastoral support of pupils, through tutoring, supporting the teaching of PHSE and undertaking weekly house duties.

Teaching and Learning

Education is about so much more than passing exams, and at The Leys pupils are encouraged to develop an understanding of their own learning, find their passions, curiosity, and develop a lifelong appetite for knowledge.

Pupils are supported in their learning by excellent teaching both inside and outside of the classroom, with academic enrichment and extension embedded into the culture of the school. We understand that teachers are individuals and that they will have their own ways of expressing their passion and interest in their subjects. The 2022 ISI comment that "Inspirational and creative teaching is a significant contributory factor to pupils' positive attitudes to learning" sums up the impact of that individuality. That said, we know that aspects change within education, and we are midway through an exciting transition from Google Classroom to Microsoft Teams and OneNote. Pupils and staff all have a digital device, and pupils are used to working digitally as well as on paper.

Academic Attainment at The Leys is outstanding. This summer, the school achieved its best academic results on record at A Level and close to best at GCSE. At A Level 62.2% of results were graded A or A*, and 87% A*-B, and at GCSE almost 50% of results were grade 9 or 8. The school uses value added as an important measure of success and we are delighted that all our 2024 public examination results demonstrate that we added significant value to our pupils' academic attainment compared to similar schools: a testament to the hard work and dedication of both staff and pupils.

Wider Curriculum

The Wider Curriculum is an integral part of the school week for all pupils and staff, with a significant amount of time in the afternoons and early evenings devoted to it. In their time at The Leys, pupils are actively encouraged to experience a broad range of activities that will bring them a wide range of benefits; activities in which they find enjoyment and fun whilst developing skills, personal qualities and attitudes that are transferable to other areas of their life at school and beyond.

The Leys' Personal Development and Leadership programme (PDL) for pupils in Year 10 and above ensures that all pupils develop leadership, broaden their horizons and collaborate with their peers on projects, often trying to solve contemporary problems. Through our outstanding sporting, music and drama provision, pupils develop as confident and well-rounded young men and women, ready for life beyond school. Our broad and varied after school activities programme enables pupils to develop their interests, skills and strengths. Through this we aim to complement the pastoral and academic pillars of an all-round Leysian education alongside boosting the physical and mental well-being of all involved in the wider curriculum. All staff contribute to our extensive wider curriculum programme through involvement in games, PDL, outdoor education, and a wide range of clubs and activities.

General Teacher Expectations

The Leys is a traditional boarding school, and we have lessons running across 6 days each week. Lessons happen on a Saturday morning until 11:50am, and the afternoon is filled with sporting activity including fixtures.

Teachers at the Leys are expected to contribute to all three of the School's Pillars: Pastoral, Academic and Wider Curriculum. Pastoral contributions take the form of tutoring, house duties and teaching PHSE whilst the wider curriculum includes games, PDL, outdoor education and clubs and activities. House duties vary depending on the type of house: day house duties involve breaktime, lunchtime and afternoon/after school supervision whilst boarding house duties involve working with pupils in the evenings. Staff also support the day to day running of the School through involvement in school duties, on a rota basis.

We know that working in a boarding school is busy! Our staff feel this is undoubtedly worth it for the reward gained from the wider interactions they have with pupils, coming to know each child as an individual, not just as a pupil in the classroom. We work with our teachers to harness their strengths and passions both inside and outside of the classroom, so that there is joy for all of us in what we do. In addition, class sizes at The Leys are typically no larger than 24, and are often much smaller, particularly in Years 7 and 8 and the Sixth Form. Teaching allocations are lower than in state and day schools, to account for the involvement in the wider life of the school. Saturday lesson time is 'paid back' through shorter term lengths, and thus longer school holidays. Finally, four Leave Weekends spaced throughout the year provide the entire school community with some additional rest and relaxation.

The Role

We are seeking a capable and dynamic graduate to take on the role of Head of Mathematics for a one-year maternity cover, starting in January 2025. It is expected that the appointee will be an engaging teacher with a proven track record of establishing high expectations and obtaining excellent outcomes for pupils across KS3 to KS5.

S/he will be expected to give the mathematics department dynamic leadership, and will have the organisational, communication and people skills to be able to motivate and support colleagues. The ideal candidate will have a strong mathematical background and be able to teach across the age range and full range of abilities. The ability to teach Further Mathematics and Statistics at A Level would be advantageous. This post would suit an experienced Head of Department seeking a change in scenery, or an ambitious teacher who would like to gain experience of middle leadership through leading a supportive and experienced department.

The Department

The Leys School Mathematics Department is housed in the picturesque King's Building with four dedicated classrooms, and in three modern classrooms in the Queen's Building. Each classroom has dedicated Smart TVs and networked computer facilities. All full-time teachers have an individual classroom, and all part-time staff have a personal space in the well-resourced Mathematics office.

Mathematics is a thriving subject, whilst compulsory for the students in Years 7 to 11, approximately 60% of Sixth Form students opt for A Level Mathematics, and for the most mathematically able there are normally two sets of A Level Further Mathematicians per year. In Year 9 pupils embark upon the IGCSE course and have 3.5 forty-minute lessons per week. Year 10 and 11 both have five forty-minute lessons a week. Both Lower and Upper Sixth pupils have 7.5 forty-minute lessons a week, with Further Mathematicians having a further 4.5 forty-minute lessons. We stream from Year 9.

All our students take the Higher Tier at Edexcel IGCSE Mathematics A. Over the past four years 80% of students have achieved Grades 9-7 and 99.75% of students achieved Grade 4 or better. Our top set currently are studying toward the FSMQ in Additional Mathematics. Those students who progress onto A Level also follow the Edexcel course for both A Level Mathematics and Further Mathematics. In 2024 71% of pupils achieved A*-A and 87% of pupils achieved A*-B. In A Level Further Mathematics the grades have been excellent over the past four years, with over 85% A*-A and 100% A*-B. Students participate in all the UKMT challenges, and we regularly have pupils who progress through to the BMO Round 1. We have an active Maths Society who are currently working on a variety of national team competitions.

There is a thriving Oxbridge group, which consists of all students who wish to study Mathematics beyond the specifications, but this groups also consists of Engineers, Economists, Chemists and Computer Scientists. Where appropriate these students are prepared for STEP, PAT or MAT.

Graphical Calculators are used, as well as iPads (a school-wide initiative) and computer software such as Dr Frost, Geogebra, and Desmos. The school recently implemented a change from Google classroom to Teams, and the maths department is currently working on embedding OneNote into teaching and learning.

The department is staffed with ten extremely friendly and supportive colleagues, six of whom are full time. The department is busy, ambitious, fully immersed in the life of this busy boarding school, but above we are all determined to provide the highest standards of mathematical education to pupils.

The Post

The term Head of Department applies to appointed postholders who have responsibility for an academic department. The Head of Maths is responsible to the Deputy Head Academic.

The primary role of the Head of an Academic Department is to provide strong academic leadership and management of the department. All Heads of Department are expected to perform the duties of a teacher in addition to managing their department.

The Head of Department is required to lead, manage, and develop the department to ensure it achieves the highest possible standards of excellence in all its activities. They will be supported by SMT, by colleagues from within the department, and support departments.

All Heads of Department are required to exercise leadership, demonstrate vision, and empower others in order to deliver the agreed departmental strategy. It is recognised that the methods by which Heads of Department carry out their duties and the extent of delegation, will depend on such factors as the size and nature of the Departments and the personal approach of the individual Head of Department.

The HoD has the following responsibilities:

- Ensure high quality teaching and learning within the department including undertaking regular learning observations.
- Organisation, promotion, efficiency, and success of the department in line with school strategic plans and direction.
- Planning the curriculum, maintaining up-to-date Schemes of Work, and selecting appropriate syllabuses and specifications.
- Advising on staff needs and teacher allocation.
- Advising on staff appointments into the department.
- Inducting new members of staff into the department.
- Advising on teaching objectives, and supporting, performance and development of departmental colleagues. This may include CPD recommendations.
- Complete regular book and marking audits within the department.
- Advising on expenditure, especially regarding new development.
- Ensure a safe and healthy environment for both staff and pupils, and full compliance with health and safety requirements.
- Ensure department documentation is up to date.
- To bear in mind the Christian ethos that underpins the life of the school community and bring its values into the classroom.

The HoD has the following responsibilities to the department and colleagues:

- To be a subject expert who regularly updates their knowledge to stay 'current' in their subject.
- Develop and maintain an academic extension and enrichment programme for the pupils in the department.
- To create a well-ordered teaching environment in which pupils can thrive and explore their academic potential.
- Guiding, supporting, mentoring, and assessing colleagues with a view to their professional development.
- Take initial responsibility for the pastoral care and wellbeing of all department staff. Allocation of teaching and department duties and managing staff absences.

- Ensure that staff performance is managed in a timely and appropriate manner consistent with the expectations of The Leys School.
- Make effective use of all staffing resources, including ICT, and seek opportunities for collaboration and joint working with others beyond the department and beyond the School.
- Monitoring of marking, record-keeping, communication, and implementation of Learning Support profiles across the department.
- Chairing weekly department meetings, drawing up agendas and seeing that minutes are completed and shared with the Director of Studies.
- Monitoring, implementing, and reviewing strategies to improve pupils' performance and progress across all year groups.
- To ensure the best possible pupil experience, through the fulfilment of the School's responsibilities concerning pupils in respect of their admission, instruction, progress, and external examination.
- Creation, marking, and moderation of internal and entry examinations.
- Selecting, ordering, issuing, collecting, and stock-taking of textbooks and equipment.
- Ensure that School equipment/facilities under the department's control are properly maintained by monitoring the fabric of the department and requesting improvement or repair where required.
- Budgetary control:
 - Take responsibility for devolved budgets and comply with School financial regulations.
 - Manage income and expenditure in order to promote financial sustainability.
 - Ensure adherence by all Departmental members, with School Financial Regulations and other financial operating procedures and regulations.
- Observe colleagues teach and engender culture of peer-observation, excellence, co-operation, and respect both within and beyond the department.
- Attendance at Heads of Department meetings and HMC/East Anglia Group meetings.
- Fostering cross-curricular relationships across the school, and between schools including feeder prep schools and local maintained sector schools.
- Support department colleagues to ensure that both compliance and GDPR guidelines are followed within the department.
- Support pupils in preparation of UCAS applications, including to the most competitive universities.
- Organise the department Collaborations (academic support sessions).
- Manage the department's tracking of pupil progress through data, including data management, understanding, interpretation, and inference of the information.

Teaching responsibilities

- To teach pupils within the school.
- To create a well-ordered teaching environment in which pupils can thrive and explore their academic potential.
- To have a clear knowledge of the individuals in their class and differentiate accordingly. This should mean both their individual learning needs as well as their individual personality
- To plan lessons clearly and within the departmental scheme of work.
- To mark work regularly and promptly, in line with departmental and school marking policies and review, monitor, and keep clear and full records of pupils' progress.
- To insist upon high levels of behaviour and respect for others in the classroom.

Safeguarding responsibilities

- To have read the School's Child Protection Policy and updates to this policy as required by the School.
- To adhere at all times to the School's Child Protection procedures and to undertake responsibility to safeguard pupils.
- To be aware of and adhere to at all times the School's Staff Behaviour and Code of Conduct and confidentiality.
- A duty to report and discuss any concerns about the safety of children and their wellbeing to the Designated Safeguarding Lead (DSL).
- A duty to report any low-level concerns about colleagues to the Designated Safeguarding Lead (DSL).

- To be informed and trained to an appropriate level and to complete mandatory safeguarding training as required by the School.

General responsibilities

- To contribute to the pastoral care of the pupils, including weekly duties in houses.
- To contribute to extra-curricular activities.
- To refer to and adhere to all Health and Safety procedures and policies as appropriate and other legislative requirements as required, carrying out duties by working in a safe and organised manner.
- To ensure that a safe / secure environment exists for pupils / staff and customers and meet requirements under the Health & Safety at work Act 1974 and C.O.S.H.H.
- To uphold the provisions of data protection legislation, the School's Data Protection Policy, and other related policies.
- Understand and be mindful of the School Acceptable Use Policy and Staff ICT & Social Media Guidelines.
- To adhere to and maintain School Policies and Procedures and work with regard to the ethics of the School.
- To observe / implement all relevant legislative requirements, maintain and update own knowledge as appropriate for the role.
- To work flexibly as necessary to meet the needs of the role and the School.

The list of tasks or duties and responsibilities described above is not exhaustive, and the School is entitled to instruct you, at any time, to carry out additional duties or responsibilities, which fall reasonably within the ambit of the job description, or in accordance with operational requirements.
